Smoothly and Gently

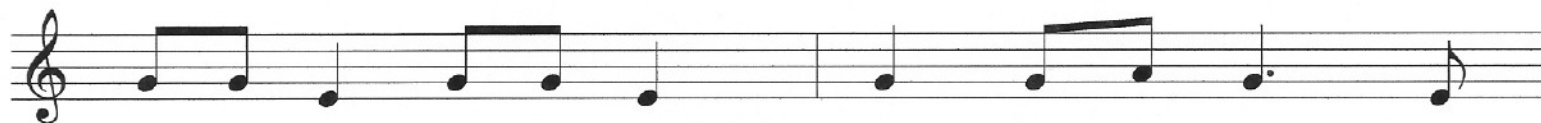

*p*

But - ter - fly, but - ter - fly, Way up high,

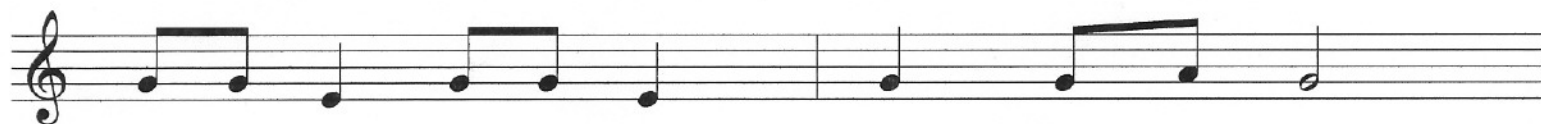

What's it like to (x) kiss the sky?

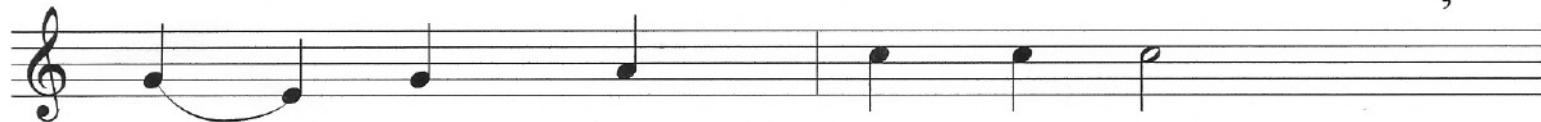

But - ter - fly, but - ter - fly, Where will you go? And

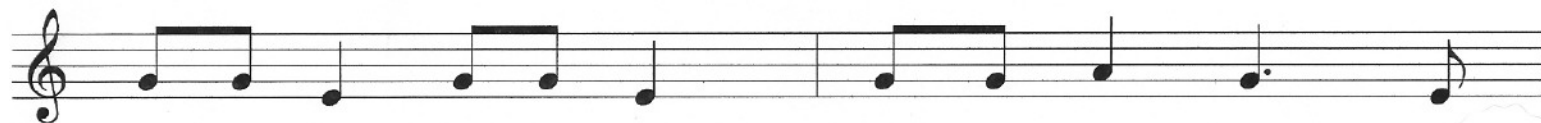

what shall you do when - you get there?

But - ter - fly, but - ter - fly, What will you do?

When - win - ter - time is through?

But - ter - fly, but - ter - fly, Have a safe flight. We'll

watch you and watch you 'til day turns to night.
